Your Boosters are always raising money--- dollars to support programs, furnishing, supplies and equipment---items not covered by the annual town budget for our Council on Aging--the things that make your experience at our Center even more pleasurable. The list below shows where your money went, your membership fees, raffles, donations, Craft Fair, Giving Tree and Adopt Room programs all support our Senior Center. There is barely a room that has not felt the positive impact of your generosity. With the expansion over a year old, we are coming to a slowdown for funding furniture, rugs and paint and looking forward to strengthening current programs and adding new ones. What an exciting time to be a Booster—because of your generosity we have filled every request for support from our Director Carol Hamilton. **Please renew your membership now, and consider upgrading, and encourage friends to join.**
